Almost like walking with the dinosaurs we will discover dinosaur fossils, eggs, tracks and even what dinosaur names mean. Exploring dinosaur bones from around the earth, we will see dinosaur pictures of the T Rex, raptor and more. Like the dinosaur that was so tall, it could look into a window on the sixth floor! Come discover with your children inside this book, funny and weird dinosaurs and extinct animals that will keep your young readers interested in reading this book over and over again. Filled with colorful graphic dinosaur pictures and interesting dinosaur names and facts, this children s book is designed to be a learning tool too, with What did You Learn Today fun questions and answers.Five Star Reviews!Amazing Dinosaur Pictures and Facts Delivers Bigtime - I got this book to keep my 10 year old grandson occupied for a while and off the xbox or wii. Little did I know it would keep both of us occupied. I rarely see him as excited and engaged as he was turning each page and finding the next interesting fact. He is an excellent reader but he doesn t share with me after he reads a book usually. I could barely get a word in as he shared page after page. We had the longest discussion we ve ever had I think. It aroused his curosimy and he started asking questions, some that we ll have to look up later.LOL...
