First hand knowledge of the spiritual realm, and how it really is to benefit us on our way through the life of many riches, indeed is truly a wonderful treasure. Viewing the direction inside of a dream to where the bits of information will lead us, can also be the clues God has given for solving the mysteries within our most valued life. If the dreamer does block out each message given, accidentally or not, then it may develop up in time, once again, until the lesson has finally been learned and adhered to at last. When we leave our body at night the hand of Gods upon us, whether its through astral traveling or from his wondrous uplifting ways.
