GOOD NEIGHBORS

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 404 pages. Dimensions: 8.0in. x 5.0in. x 0.9in. From Publishers Weekly In his first mystery, novelist Bechard (The Second Greatest Story Ever Told; Balls) deftly captures the story's working-class neighborhood setting. Juke Miller, an ex-cop who left the force after killing an innocent person, now runs a bar in Harmony, Conn., a slightly downscale suburb of New Haven. When Juke's best friend and neighbor, Reggie DeLillo, is killed by a cop after apparently shooting a teenage neighbor who poisoned his beloved dog, Miller quickly doubts the official version of the incident. Aided by his former partner and a friendly female officer, Juke angers his old adversary, Harmony police chief Marion Bradbury, by suggesting that somebody else killed the teenager. Ballistics evidence proves Juke right: now he has to help nail the real killer. Was it Reggie's overheated young wife, Anabelle, who had liaisons all over town—including one with the cop who shot her husband? Or is the secret buried within the troubled teenager's outwardly normal family? With further attention Juke could turn into a character as fully dimensioned as Lawrence Sanders. Another guilt-ridden ex-cop. In the meantime, Bechard's ear for dark comedy and eye for social nuance are this book's strong suits. Copyright 1998 Reed Business Information, Inc. From Kirkus Reviews The day after Reggie DeLillo's dog Molasses was poisoned by the boy next door, Reggie, who threatened to kill David Robertson when the boy admitted what he'd done, is discovered in the Robertsons' house standing over David's dead body with gun drawn. Officer Peter Castagnetti, the rookie who stumbles onto the scene, draws his own weapon and shoots Reggie dead. The sad story is over—except that the bullet dug out of David's body...
