Brand New Book ***** Print on Demand *****.From the Introduction: IN my work Phonologie Chinoise, I have among other things given a systematic survey (pp. 248 - 336) of the speech-sounds existing in a number of Chinese dialects. To give a picture of connected speech in these dialects was not the object of the above-mentioned work; this had to be reserved for a series of separate studies. The following is to be considered as a first attempt to supply the need of such a picture. The dialect I have chosen to reproduce in this study is that of Peking, one of the many closely related dialects that are spoken in pretty much the whole of China north of the Yang-tsi-kiang and also in a large part south of that river and which, if we leave out of consideration a number of less important differences and only pay regard to the most striking characteristics common to all may suitably be grouped together under the name of Mandarin dialects. Among these numerous Mandarin dialects that of Peking is nowadays beyond comparison the most fashionable, being the speech...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
