There s a huge problem in the commercial real estate business that nobody is talking about- DUE DILIGENCE.

Investors are leaving big money on the table by not learning these important principles. Most investors, real estate brokers and commercial real estate professionals barely scratch the surface conducting their due diligence. How do I know this? I ve spent over 31 years helping investors buy and sell over 9 million square feet of properties and witnessed the practices of big fish and small investors alike. It wasn t until I became an acquisition executive and learned some painful, humiliating and expensive lessons that I realized I didn t know what I didn t know. After all the heartache, stress, and sleepless nights, I m sharing my go-to step by step system which I turned into The Due Diligence Handbook For Commercial Real Estate. This book is currently one of the top selling and highest rated commercial real estate books on Amazon. It is an easy to follow roadmap based upon a proven system that investors and...
