Green tea comes in this category. A majority of us cannot do without the cup that cheers, early in the morning. Sometimes we may even find ourselves addicted to our cup of hearty java, first thing in the morning before we can wake up completely. But since ancient times, green tea has been such a major part of the lives of people who are very careful about their health, that it is no wonder that it is one of the most popular of natural healthy drinks going in the world today. The ancient Chinese preferred going without food rather than forfeit their cup of refreshing Cha. That is because tea was such a major part of Chinese culture in ancient times, that tea drinking ceremonies which were then adapted by Japan, were a major part of the social fabric. Even today, there are exotic teas which are going for thousands of dollars on the auction table, because they are considered to be such rare, distinguished and exotic beverages. Of the three major beverages of the world,...
