Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

MIFFY THE ARTIST

Tate Publishing. Hardback. Book Condition: new. BRAND NEW, Miffy the Artist, Dick Bruna, Ever since Dick Bruna first created Miffy in 1955, she has endeared herself to generations of young children. She is now one of the best-loved children's characters of all time. In this charming new addition to her story, Miffy takes inspiration from a visit to an art gallery and decides to become an artist herself. Looking at the colour and shapes of the world around her she discovers what fun it can be to make pictures of the things she sees. By bedtime, her walls are full of all her wonderful artworks. The perfect gift for a budding artist, this is a charming book from one of the master illustrators of our time.
