DOS Madres Press, United States, 2016. Paperback. Book Condition: New. Language: English . Brand New Book. Poetry. David Wolinsky s early poems, here gathered for the first time, many decades after they were written, have an expressive power that emanates from the poet s struggle to articulate not just his own pain but that of humanity as a whole. In The Crane Is Flying, the book s title- poem, he writes: My children, unborn, cry out for food, / for music. I hear their voices swelling from the future; they labor / beneath an enormous sea. Almost all of the poems in this marvelous collection, not just those for the poet s dead sister, are elegiac; yet at the same time they reach into the future, and this is the labor they perform. Innsbruck I Must Leave Thee, a poem I have treasured since I first read it many years ago, begins: If this melody or some old chanson lodge / in the brain, sail in canonical polyphony. ; and indeed, once read, these poems will lodge in the brain, never to be forgotten. Henry Weinfield.
