

Phonics, Rhythms, and Rhymes-Level D

By Rasool D. Malik Ed. D.

AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 277 x 208 mm. Language: English Brand New Book ***** Print on Demand *****.This edition of Phonics, Rhythms, and Rhymes builds upon many favorable comments we have received from classroom teachers, parents, administrators, and students studying in undergraduate and graduate programs. Some non-readers need just a little extra assistance in learning to read; and other students are struggling with reading and need more intensive help from classroom teachers and specialists. This research-based book is an ideal teaching resource for the emergent reader. Contained in this particular edition are activities developed to teach skills that combined student s and teacher s manuals from Levels B and C in the Phonics, Rhythms, and Rhymes Reading Program. This approximate 250 page book is the combined two books which would, in regular print size, constitute a total of 800 pages. Each of the four books are available separately. The teacher s editions are available in regular-print size and sold separately in most book stores. Information and prices are presented on the website The Phonics, Rhythms, and Rhymes Reading Program is comprised of a separate book for students and teachers on the following grade levels: Level K...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
