A DAY IN THE LIFE OF A SPIDER SPAZING FREAK

[DOWNLOAD](#)

Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book. We all have our own personal Achilles heel. For some it s the fear of height, others it may be the fear of water buffaloes, but for me, it s arachnophobia. I come by it naturally. You see, my mother was a visionary. Some parents want to pass things on to their children, such as a family heirloom, a treasured piece of jewelry, a favorite uncle s toupee. But not my mother. She left me with something far greater, something I too could pass on to my own children. She left me with the god-awful fear of spiders! A Day in the Life of a Spider Spazing Freak is one woman s hilarious outlook on life when your worst fear is spiders. Laugh out loud as she tells her own personal stories and of the many different forms of spider spazing. For anyone that suffers from arachnophobia, this book is a must!.
