SOMEDAY SOON

Createspace, United States, 2011. Paperback. Book Condition: New. Dr Michael Ferguson (illustrator). 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Someday I m going to fly through the air. Someday I d like to visit a fair. Someday I ll learn to tie my own shoe. Someday I hope to visit the zoo. Someday you could chase me around and Someday I ll hide and wait to be found. Someday maybe you ll buy me a pet. Someday I could be a vet! Is there anything more exciting to children than imagining the opportunities that will come their way in life? Or the joys and wonders that await them around every corner? They are our enduring safeguards of hope, clear-eyed seers of the limitless possibilities of the future, and most importantly, believers that they can indeed do it all. Somehow, as we grow older, we often lose that quality, trapped in the limited thinking of logic and reason. And in this day and age, with children growing up faster than ever, maturing at a rate unheard of in recorded history, savoring that unbridled optimism is the greatest gift any child can receive-and every parent can give. A simple, sweet, and imaginative tale full of hope and wonder, Tanya Ferguson s debut is a treasure trove of loving thoughts and heartening words that will open your child s mind to life s possibilities-and remind you to revel in their unbridled enthusiasm. From the small lessons in life such as learning to tie a shoe or going to the zoo to knowing that visiting the moon is a realistic wish, the possibilities and simple joys of life help young ones connect that all of these thoughts are one in the same-none more or less realistic than...
