Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Nolonger Victims - Alaska is part of the USA US Territories Series of directories of services produced on behalf of Nolonger Victims. This directory is totally unique and a world first. There is no other book in publication for each specific state that will combine all services and agencies for all abuses in one published document. We provide services to all victims of all abuses irrespective of their gender all over the world. One issue we found was that many never knew where to go or who to ask for help, so with that in mind we produced a very detailed and comprehensive listing along with links for Diplomatic Consulates in every country so that no matter where you are in that country if you need help then you will know where to get it. Supplying Hospitals - Law Enforcement - Libraries - Health Centers - Malls - Schools - Attorneys - Courts - Advocacy Agencies - Universities - Consulates - Airlines - Transport Companies - Hotel Chains - Car Hire Companies - Fast Food Restaurants the list is endless. But anywhere that a victim may need help we want that help to be there. So at your time of need no matter where you are located the team at Nolonger Victims will be able to provide you with a local contact. However we intend for this series of books to be available in every facility across the world so that nobody has to suffer in silence and nobody has to live in fear.
