Gerald Duckworth & Co Ltd. Paperback. Book Condition: new. BRAND NEW, Foretold by Thunder, Edward M. Davey, When journalist Jake Wolsey stumbles upon a declassified file showing Winston Churchill's interest in the ancient Etruscan civilisation, his curiosity brings peril in its wake. He soon attracts the unlikely attention of sexy archaeologist Florence Chung - and that of MI6. As the two are pursued across Europe and Africa in search of the Etruscans' sacred text, danger closes in and more questions than answers arise. Are there powers in the sky modern science has yet to understand? Could the ancients predict the future? And what really explains the rise of Rome, that of Nazi Germany, the ebb and flow of history itself? In a thrilling race against time and enemies known and unknown, Wolsey fears the very survival of the West may depend on his ability to stay one step ahead of his adversaries.
