HarperCollins, United States, 2012. Paperback. Book Condition: New. Reprint. 198 x 130 mm. Language: English . Brand New Book. A prequel to the 1995 Newbery Medal winner *Walk Two Moons*, *Absolutely Normal Chaos* proves that Sharon Creech is not the kind of author you meet once and forget -- she writes with a memorable voice that speaks directly to the thoughts and feelings of her readers. *Absolutely Normal Chaos* chronicles the daily life of 13-year-old Mary Lou Finney during her most chaotic and romantic summer ever. Sharon Creech fans will recognize Mary Lou Finney and her infamous summer journal from their appearance in *Walk Two Moons*. Mary Lou's journal opens with a plea, "Here it is: my summer journal . . . But please PLEEEASSSE DON'T READ IT!" What begins grudgingly as a dreaded assignment for school becomes a hilarious chronicle of the circle of people and events that make her summer. There is Carl Ray, the mysterious and troublesome cousin that comes to visit; Beth Ann Bartels, the best friend who's recently gone boy crazy; Alex Cheevy, the boy that makes Mary Lou's brains "mushy"; and, of course, the Finney clan, her "normally strange family." What follows is a story of a summer filled with lessons and observations on love, death, friendship and family.
